

This formulary represents the preferred medications commonly prescribed. Drugs with a first tier copay are listed in lower case letters. Drugs with a second tier copay are listed in upper case letters. Your plan may cover additional drugs not on this list at a third tier (non-preferred) copay. This drug list is not inclusive nor does it guarantee coverage. **Your specific prescription benefit plan may not cover certain medications regardless of their appearance on this document. The plan participant's specific prescription benefit plan may have a different copay for specific products on the list.** This formulary is subject to change without notice. The formulary is updated periodically and changes may appear prior to their effective date. For specific information regarding your prescription benefit and copay, please contact a CMC representative at 1-800-946-3338.
